2017 **WEEDS 'N' WALLEYES** Banquet

Thanks to all those who volunteered, sponsored and donated to the lake association to help make this year's event another big success, and a lot of fun.

What's not to like about a capacity crowd party!

Who's in charge of this chaos?! A special thanks to all the volunteers that staffed the event, including Chris and Deb Mueller.

The evening's entertainment: Tricia Novak and many others getting roasted by the night's emcee Gary Mueller.

Les Schramm receives a standing ovation when recognized for his long-standing service to Lake Metonga and the Association.

President, Gary Mueller presents Les with a plaque that acknowledges the dedication of Les and Donna for their tireless efforts over the years. The plaque will be installed at the city park's recently renovated picnic pavilion on the north shore of the lake to dedicate the completion of the new serving kitchen.

The plaque is inscribed: "In grateful recognition for their many years of exceptional volunteerism and dedicated service to keeping Lake Metonga a pristine natural resource for generations to come."

The serving kitchen improvements and furnishings are being financed by special donations to the lake association's Donna Schramm Memorial Fund.

Here's why we call it **FUN Raising** at **WEEDS 'N' WALLEYES**

Live auction items including Packer game tickets brought out the deep pockets in the room thanks to some extra prodding by auctioneer Dave Mueller.

Andy Basten and Mia Mueller sell wheel-spin raffle tickets to hopeful lucky number winners.

Thanks to all who attended and participated in the festivities. Hope we can do this again next year!

Please volunteer to help!

Over 40 silent auction gift baskets and prizes were awarded including this one that Jane Basten writes in her bid for, and the ones that Jason Neilitz and Jamie Conway are vying for.
