

Lake Metonga Association

2018 4th of July Boat Parade and Picnic

Thanks to Gary Goeman and all those who volunteered and donated raffle prizes to the lake association to help make this year's 4th of July holiday another big success and a lot of fun.

Special thanks to Charlie's Lake Metonga Resort for donating their staff & supplies and hosting the event, Schaefer's IGA for all the groceries, and Peter and Peggy Salm for donating all the brats from their sausage company, Salm Partners, in Denmark, WI.

With the weather somewhat questionable, most attendees arrived by car rather than by boat, but it was still another great day to be on the lake!

Deb Gauerke and Judy Van Zuiden had a great day selling the new 2018 line of Lake Association apparel. If you didn't get your apparel on the 4th, be sure and stop at the LMA booth at Kentuck Day Festival or Art in the Square.
