A Picture Perfect Lake Association 4th of July Parade of Boats and Picnic

They said it was going to rain. They said it was going to be cold. They said it was going to be windy. They said no one was going to show up...

WRONG!

This year's 4th of July Parade of Boats started the Lake Association's holiday weekend event with a record-setting turnout. Twenty-four pontoons and boats competed for six prizes worth over \$2,000 — prizes all donated by area businesses.

A very special and appreciative thank you to all those who helped organize, promote, setup and supervise the event. Please remember everything you did! — so we can make next year's event just as successful and fun.

Most importantly, hats off, cudos and sincere thanks to the area businesses that help the association on an on-going basis and that donated the fantastic prizes that made this year's event such a success:

- Mole Lake Casino
- Tricia's Treasures
- Smith Sport and Hobby
- Rustic Allure
- Flowers from the Heart

Following the boat parade, everyone had a great time at the Lake Association sponsored community picnic. Lots of raffles for various prizes. Good food and a great time to relax and celebrate America's holiday with neighbors, friends and family.

The big winner of the day won a freezer (graciously donated again this year by Forest TV and Appliances) which was packed full of xxx pounds of meat.

For several years running, we also all need to send out a huge, special thank you and our appreciation to:

Charlie's Lake Metonga Resort for hosting and helping the association with all their staff

Pete and Peggy Salm for donating the brats and hot dogs again this year.
